

We would like to take this opportunity to welcome back our returning children and extend a very warm welcome to our new children and their families. We would like to thank you all for adapting to our new routines and for all your kind donations. The children have been settling in well and are all now experts at washing their hands!

DONATIONS

Thank you for all your donations so far. We will always need tissues and plain flour and regular donations of these items are always welcome. We would also welcome donations of vegetables for snack time alongside fruit and plain rice cakes. Thank you.

Clothing

As the weather is so variable, it is very important that your child comes to nursery prepared for the weather and dressed to encourage independence. Please ensure your child has:

- A change of clothes
- Wellies (These can be left at nursery)
- A WATERPROOF coat with hood – If you are able, we recommend buying an all in one outer layer such as the one pictured here https://www.amazon.co.uk/DRY-KIDS-Waterproof-Rainsuit-Raspberry/dp/B00TIQ6IFS/ref=sr_1_5?dchild=1&keywords=childrens%2Bwaterproofs&qid=1600985164&sr=8-5&th=1 for children to wear outdoors in wet weather over their coats – this can also be left at nursery.
- Please ensure your child is wearing clothes and shoes that they can manage themselves eg. Tracksuit bottoms/Leggings instead of jeans and NO LACES, Velcro fastening shoes only please.
- PLEASE NAME ALL ITEMS OF CLOTHING

Learning Journals

NEW CHILDREN – Please keep a look out for an email inviting you to join Learning Journals. This is an opportunity for us to share photos and videos of your child's time at nursery. Parents/Carers of all children that started nursery in September will be invited to have a telephone consultation to discuss how they have settled into nursery - These will take place after half term.

If you are having issues accessing your child's Learning Journal, please let us know.

MOBILE PHONES

Please remember, mobile phones should not be used on the premises – Greet your child with a smile, not a mobile.

Lunch

We have children at nursery with severe allergies. Packed lunches **MUST NOT INCLUDE Egg or Nuts.** Please also ensure there are no food items in your child's nursery bag.

Please ensure grapes are cut lengthways to avoid choking.

Water and milk are available to children throughout the day.

There is no need for your child to bring a drink bottle to nursery.

**Please can your child bring a family photo into nursery to share with us.
These can be emailed to the office if you would prefer. Thank you.**
