Activities

Can you Make Zog?

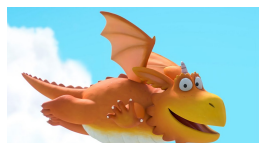

Have a go at making a Zog or your own dragon. Below are some simple instructions on how you could make him. What colour would you like to make your dragon?

Would you like to watch the the Story of Zog?

Zog

The story of a keen young dragon in his first years at Dragon School.

BBC IPLAYER

Phonics - Rhyming Basket

Can you find words that rhyme with the things I have in my basket?

People who help us: Doctors and nurses

Doctors and nurses have very important jobs. They care for us when we are sick. Can you find some items in your home and

take care of your teddy, doll or Mummy and Daddy? Can you bandage them up or give them some medicine?

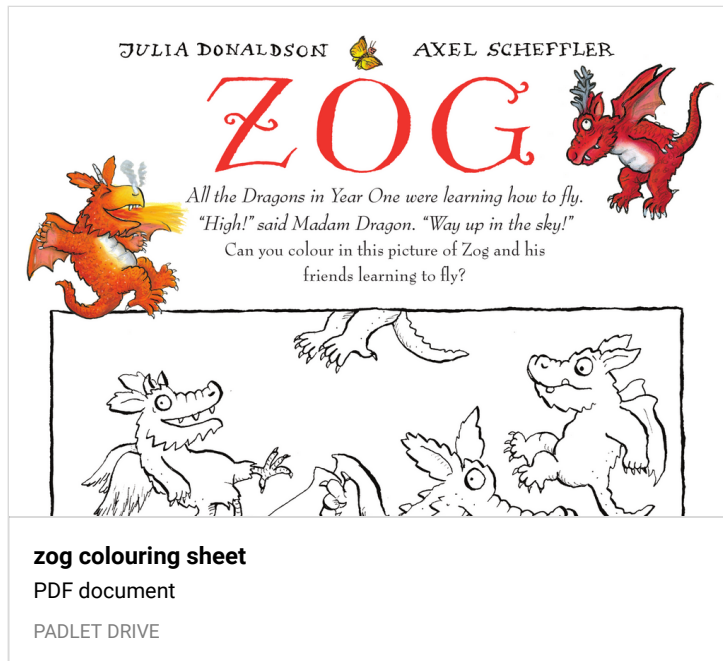

Make a home for Zog and the Doctors

Using blocks, bricks and recyclable materials can you make a home for Zog and the Doctors? What type of home will you make? Where do they live?

Create your own Zog

Can you colour in Zog or make your own individual Zog in different colours?

Instagram

Don't forget to follow us on instagram for more inspiring ideas.

Maths Challenge

Natural World

Spring is approaching so what better time to go out and look for patterns and shapes in nature.

Can you find or do the following:

-Make muddy footprints from a muddy puddle, how many and what patterns can you see in your footprint?

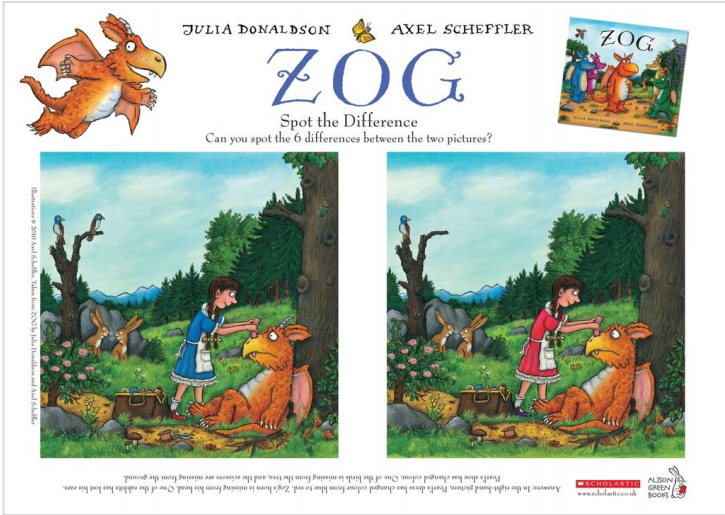

-Collect natural objects such as sticks, leaves, pebbles, seeds etc and sort them into groups. Which is the longest, shortest,

thinnest, thickest stick? How many big, medium and little sized leaves can you find?
-Can you make a rainbow using natural objects?

Spot the difference

Can you spot the difference in these two pictures? You will have to look carefully.

Physical Challenge

Have a go at some Yoga

See if you can get into all the different yoga positions to go with our story.

Are you good at building?

Can you build a castle, fort or den with things you can find around your home, garden or while out on your walk?
Maybe you could use cushions, or sheets or maybe you have a tent you can use as a start?

Funky Fingers

Find a muffin tin and some elastic bands and see if you can stretch them across to make patterns and shapes.
This might be a little tricky, so you might need to model how to do this first Mums and Dads!

Outdoors

Cloud Gazing

Cloud gazing gives us an opportunity to take time out from our busy schedules as well as challenging feelings of boredom. This activity helps to teach simply being in the moment, a useful skill for self-awareness, emotional regulation and wellbeing.

Simply wrap up warm, maybe take a blanket with you, and lie on the grass and watch the clouds. What shapes can you see, are there any people or animals? Can you make up a story with the characters you see? Can you predict the weather from looking at the clouds?

For more info you can check out the National Trust's page on cloud gazing <https://www.nationaltrust.org.uk/features/no-33-go-cloud-watching>
